DOCTOR OF CHIROPRACTIC /MEDICAL, HEALTHCARE EXECUTIVE

*Currently employed by:
Synergy Medical Center®
Top Medical Center
Dubai, United Arab Emirates*

Ambitious, success-driven Healthcare Executive with over 28 years of success in leading and managing clinic operations. Accomplished in building high performance, patient-focused teams. Dynamic, engaging communicator experienced in delivering public presentations, and raising funds for third-world cancer victims. Multi-lingual with worldwide travel experience in the United States of America, Europe, and the Middle East.

BIOGRAPHY

DR. NEDA NAFEI has been in practice since 1991 with clinical specialty in soft tissue and musculoskeletal injuries from sports injuries, car accidents, industrial injuries and chronic conditions. She has extensive training and advanced certifications in diagnosis, treatment and management of whiplash associated disorders and chronic conditions such as arthritis and rehabilitation management of chronic musculoskeletal conditions. She has provided expert testimonials in California courts in the areas of motor vehicle crash parameters, injury biomechanics, human factors, diagnosis and chiropractic management, prognosis and disability. Currently she is the consultant chiropractor for many fitness clubs and gyms and sports teams such as Rugby, Boxing, Sky Diving, and Football teams in Dubai conducting member's spinal and postural assessments and lectures and helping the club and team members with any musculoskeletal injuries and questions.
